

# SAINT JOHN THEATRE COMPANY

## STAGING *The* FUTURE

### SO NOW WHAT?

We have set the stage by building a sophisticated organization that has a significant impact on our community. How do we stage the future?

How do we secure the gains of the past twenty five years and move forward confidently into the next twenty five?

How do we ensure that this organization exists for the benefit of future theatre-goers and for future theatre practitioners?

### HOW TO STAGE THE FUTURE:

The answer to these questions lies in the development of an endowment campaign for the SJTC.

The purpose of the 'Staging the Future Endowment Fund', intrusted with The Community Foundation, is to create a sustaining fund to ensure the long term viability of professional grade theatre production and presentation in Saint John.
